Logistiques

Université Le Havre-Normandie

Our school in a few words

ISEL is a **school of logistics engineering** within the **University of Le Havre - Normandie** (FRANCE)

Implanted

in the heart of Normandy & in the city of Le Havre, actor of change, support & innovation

Created & Certified

as a school of excellence in engineering (MSC in logistics engineering) by the French government since 1994

Accredited

by the European Engineering Programs quality label EUR-ACE

Because there is a global world to organise !

ISEL offers :

- Diplôme d'ingénieur en logistique ("MSC in logistics") taught in French for full-time and on-the-job training students,
- More than 25 active partnerships around the world & mandatory mobility abroad,
- Specific programs in English ("LSCM @ ISEL" and "GU8 Global MBA"),
- Research programs (Chair of logistics),
- Expertise with the professional world.
